Hong Kong, 14 March 2016 - Hutchison Global Communications Limited (HGC), the fixed-line division of Hutchison Telecommunications Hong Kong Holdings Limited (HTHKH; stock code: 0215) today announced 3Home Broadband’s launch of the “Home Entertainment Super Pack”. This enables customers to watch an array of programmes from TVB.COM Limited (TVB) via the new “myTV SUPER” online platform via 100M or 1G fibre broadband service for discounted monthly fees of \$138ⁱⁱ and \$188ⁱⁱ respectively. “myTV SUPER” draws on HGC’s fast high-capacity content transmission network and world-class data centre facilities to provide a thoroughly enjoyable and convenient home entertainment experience.

Discounted monthly fee from \$138ⁱⁱ buys high-speed broadband × “myTV SUPER” plus Disney SVOD

3Home Broadband launches the “Home Entertainment Super Pack” tomorrow (15 March) for a discounted monthly fee of just \$138ⁱⁱ. The pack comprises 100M Home Broadband, residential telephone service, unlimited “HGC On Air” Wi-Fi, rental of the “myTV SUPER” box and more than 11,000 hours of diverse programming from 30 thematic channelsⁱ. Content includes popular drama shows from mainland China, Hong Kong, Taiwan, Japan and Korea, as well as Cantonese drama, plus animation, variety shows and children’s programmes.

Alternatively, customers can opt for a 1G “Home Entertainment Super Pack” plan for a discounted monthly fee of \$188ⁱⁱ.

The first month’s fee of a 25-month contract will be waivedⁱⁱ and a \$300 3 Hong Kong handset couponⁱⁱⁱ will be offered to customers registering for the 100M or 1G “Home Entertainment Super Pack” on or before 17 April. In the contract’s second month, customers can access Disney SVOD, which appeals to all ages, and benefit from “additional mobile device service” so “myTV SUPER” programmes can be watched on smartphones or tablets using mobile data or Wi-Fi anytime, anywhere in Hong Kong.

Unlimited “HGC On Air” Wi-Fi at 17,000+ hotspots will deliver “myTV SUPER” content

In addition to an ultra-fast home broadband element, the “Home Entertainment Super Pack” comes complete with unlimited “HGC On Air” Wi-Fi service supported by HGC’s 1G optical-fibre backhaul facility. This enables customers to access the Internet at more than 17,000 Wi-Fi hotspots provided by HGC, Hong Kong’s largest commercial Wi-Fi operator^{vi}. Users can access “myTV SUPER” on smartphones or tablets after activating “additional mobile device service”.

“myTV SUPER Service Experience Guarantee Programme^{vii}” promises smooth delivery or compensation

The extraordinary capabilities of HGC’s stable fibre network enable 3Home Broadband to deliver the best possible “myTV SUPER” experience. The “myTV SUPER Service Experience Guarantee Programme” guarantees clear and smooth enjoyment of content. If broadband service delivering the “Home Entertainment Super Pack” fails to achieve standards set by the “myTV SUPER Service Experience Guarantee Programme^{vii}”, customers will be compensated with an amount equal to twice the sum of the service fee charged for the number of “affected days” calculated on a pro-rata basis.

Network advantages facilitate superior OTT service experience

Over-the-Top (OTT) service has become a key home entertainment trend, enabling end-user enjoyment of programmes via high-speed broadband connectivity. This prompted launch of Hong Kong’s first 4K Home Broadband Entertainment Pack, which has since scooped a succession of awards locally and from overseas, while attracting wide industry recognition.

Jennifer Tan, HTHKH’s Chief Operating Officer, said: “HGC has built a high-speed, high-capacity content delivery network based on our extensive optical-fibre backbone network, which combines with our world-class data centres to equip various types of OTT service provider with an open and neutral platform.”

She added: “This enables 3Home Broadband customers to watch a variety of ‘myTV SUPER’ high-definition (HD) programmes at home as part of a value-for-money package. In addition, our ‘myTV SUPER Service Experience Guarantee Programme^{vii}’ demonstrates our supreme confidence in being able to deliver HD home entertainment in smooth fashion to discerning customers.”
